Dear Harold—

Got your recent mailing today. Thanks for the articles.

Yes, the ad was from Book-of-the-Month Club. I thought their insignia was on it.

Our school is over next week. Tom Peet's oldest son Chad graduates from high school this Sunday.

Thought you would find enclosed post card amusing. Don't know the sender.

Last Saturday I took a group of German au pairs on a tour of Southern Ohio to various prehistoric Indian mounds.

Has been nice lately, rain tomorrow.

Take care.

Sincerely, Dave
